The Most Rev Dr Henry Luke Orombi  
ARCHBISHOP OF UGANDA

Your Grace

I would like to apologise to you personally and the Church of Uganda for embarrassing you in relation to the Trinity Grants to CAPA. As agreed we shall post a clarification on the CAPA Website as soon as the staff returns to the office in Nairobi because they do not have the passwords here.

We recognize the great contribution you have made to the conference and regret that this grant created a taint in our otherwise healthy working relationship.

Yours in Christ

The Most Rev Ian Ernest
